Description

This 2021 BMW i3 boasts exceptionally low mileage for its age, having covered just 16,222 miles. As a fully electric vehicle, it offers a smooth and quiet driving experience. This particular model is equipped with the i3 Pro Pack, which includes a premium branded sound system and online entertainment, enhancing your journeys. The BMW i3 is designed for efficient urban mobility, with a 42 kWh battery providing a maximum range of 190 miles when new. Recharging at home using a 7kW charger takes approximately 5 hours and 15 minutes, while rapid public charging can replenish the battery from empty to 80% in as little as 40 minutes. Its impressive acceleration, reaching 0 to 62mph in just 7.3 seconds, demonstrates its responsive performance, setting it apart from many other electric vehicles.
