Description

This 2025 MINI Electric Cooper SE Exclusive presents an exceptional ownership proposition, having covered an incredibly low 187 miles. As a single owner vehicle, it represents a pristine example of MINI's commitment to electric mobility. This SE Exclusive model boasts a substantial 54 kWh battery, offering a maximum range of 249 miles when new, making it ideal for both daily commutes and longer journeys. Charging is convenient, with a full charge at home taking approximately 7 hours and 45 minutes using a 7kW charger, while rapid public charging can replenish the battery from empty to 80% in just 34 minutes. The driving experience is further enhanced by the impressive acceleration, reaching 0-62mph in a brisk 6.7 seconds. Notable features include stylish 18in Alloy Wheels in Night Flash Spoke 2 Tone, a helpful Rear View Camera for easier parking, and the Level 1 Pack which adds a Head Up Display,

LED Headlights, Keyless Entry, Heated Seats, and Wireless Phone Charging. The inclusion of a Heated Steering Wheel ensures comfort during colder months. These specifications collectively indicate a superior offering compared to other vehicles in its class, providing a refined and technologically advanced electric driving experience.
