Description

Boasting exceptionally low mileage for its age, this 2025 Volkswagen Polo TSI Black Edition presents a superb ownership proposition. This Euro 6 compliant model features a 1.0 litre petrol engine and has covered a mere 3769 miles, with its last service completed on 27 February 2026 at 3392 miles. The Black Edition trim enhances its appeal, and you'll appreciate the convenience of the Mobile Phone Interface with Wireless Inductive Charging, alongside the Ready 2 Discover Infotainment System which includes Bluetooth connectivity. Further enhancing your driving experience are the Light and Sight Pack, ensuring automatic headlights, and front and rear parking sensors with parking assistance. This Volkswagen Polo stands out with its impressive acceleration, reaching 0-62mph in just 9.8 seconds, demonstrating its responsive performance. The large boot space offers practical versatility for your everyday needs and longer journeys, making it a more capable choice than many comparable vehicles. The inclusion of a Bluetooth mobile phone interface further adds to the modern convenience, ensuring you stay connected safely and easily.
