Description

This 2021 BMW 1 Series 116d M Sport LCP offers a refined driving experience that balances modern efficiency with the premium build quality expected from the brand. As an M Sport model, this vehicle features a 1.5 litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The exterior is equipped with LED headlights, providing clear visibility and a contemporary aesthetic. This hatchback combines the practicality of the 1 Series range with the specific styling and equipment enhancements associated with the M Sport trim level. The vehicle stands out for its impressive fuel economy, achieving up to 59 mpg, which makes it a practical choice for those looking to manage running costs without compromising on performance. Beyond its efficiency, the design prioritises utility, offering a large boot space that provides ample room for luggage or shopping. These attributes combine to create a

well-rounded vehicle that is suited for both daily commuting and longer journeys, offering a level of versatility and economy that distinguishes it within the competitive hatchback market.
