Description

This 2022 BMW X1 23i M Sport Premier is a refined example of a modern SUV that combines premium comfort with practical utility. As a 2022 model, this vehicle features the 2.0L petrol hybrid engine paired with a four wheel drive system, ensuring it meets Euro 6 emission standards. The M Sport trim level enhances the aesthetic and functional appeal, while the included Premier Pack adds significant value with features such as Blind Spot Assistance for added safety, memory seats for personalised comfort, and a fitted towbar for extra versatility. The performance of this vehicle stands out in its class, offering a brisk acceleration from 0 to 62mph in just 7.1 seconds, which provides a responsive driving experience on various road types. Beyond its speed, the design prioritises everyday usability, most notably through its large boot space that accommodates luggage and equipment with ease. By balancing this impressive power delivery with a spacious and

well-equipped interior, this BMW X1 offers a comprehensive package that excels in both performance and daily convenience compared to many other vehicles in the compact SUV segment.
