Description

This 2023 BMW 3 Series 330e M Sport offers a modern driving experience as a nearly new vehicle. This plug-in hybrid model combines a 2.0-litre petrol engine with electric power, meeting Euro 6 emission standards for cleaner travel. The M Sport trim enhances the vehicle with a range of practical technology, including the Visibility Pack which features LED headlights for improved clarity on the road. Parking is made straightforward with the included Parking Assistant, which utilises front and rear sensors alongside a rear camera to help you manoeuvre into tight spaces with confidence. The performance of this vehicle sets it apart, as it is capable of accelerating from 0 to 62mph in just 5.8 seconds. This rapid acceleration demonstrates the efficiency and power of the hybrid powertrain, providing a responsive drive that balances fuel economy with impressive speed. By integrating advanced driver assistance systems with a high-performance engine, this BMW provides a sophisticated and capable option for those seeking a blend of power and modern convenience in their daily commute.
