Description

This exceptional BMW 3 Series M340i, registered in 2025, boasts a single owner from new, presenting a pristine example of this popular executive saloon. Powered by a potent 3.0 litre petrol hybrid engine and featuring BMW's renowned four wheel drive system, this Euro 6 compliant vehicle offers a compelling blend of performance and efficiency. Inside, you'll find a host of premium features designed to enhance your driving experience, including the advanced Driving Assistant for added safety, an electric glass sunroof to brighten the cabin, adaptive LED headlights for superior visibility, and electric memory seats for personalised comfort. The M340i variant truly stands out, particularly with its impressive acceleration, achieving 0 to 62 miles per hour in a mere 4.4 seconds, a figure that demonstrates its dynamic capabilities. This performance, combined with its low

insurance group rating, makes it a more accessible and exciting choice compared to many other vehicles in its class. The inclusion of features like the adaptive LED headlights and electric memory seats further elevates its appeal, offering a level of refinement and technology that sets it apart.
